As you seek to transform your company into a global enterprise, your ability to fully concentrate on your core business is the key to your success. DIFC Global provides a supportive corporate environment, which takes care of all your operational hassles so that you can focus on what matters most – your growth.

DIFC Global provides a network of premium business environments that support enterprises in growing their international business. As part of the global vision of the Dubai International Financial Centre (DIFC), the world's fastest growing financial hub, DIFC Global provides services that enable companies to make forays into new markets with minimal investment.

With a central business complex in Dubai complemented by business centres in the world's major financial centres, DIFC Global provides solutions and services that assist you every step of the way in enhancing your productivity and business reach.

In a competitive environment where speed-to-market is of the essence and your ability to seize opportunities can make or break you, we can assist you in quickly scaling your operations in response to market needs.

Leveraging DIFC's financial community and its industry links, we also help you connect to businesses across the economic spectrum. Our business centres breathe elegance and sophistication and offer the attention to detail you expect in the world's finest corporate environments. Each of our centres is located in premium facilities in prime city locations, giving you an address that enhances your corporate image.

From executive suites and meeting rooms to private booths and individual work stations, we can meet a wide range of space requirements. Flexible lease terms mean you can rent our facilities on a daily, weekly, monthly or annual basis.

All our offices are fully-serviced, eliminating all the hassle of office supplies, telecom connections and maintenance.
